

## LOS GÜEROS SAFETY RIDES FORM

*The final process of LOS GÜEROS' safety course is to take you out on the road with your motorcycle! The first ride will be a check ride with two road captains, one riding lead and one riding sweep. If after your check ride both road captains deem you are ready to join a group, you will then be asked to ride in the second position (1 second behind and to the right of the lead) for your next four rides. The road captain leading each of these rides will then discuss with you what you did well, and what could use some work.*

**YOU MUST BRING THIS FORM WITH YOU ON EACH GROUP RIDE UNTIL YOU HAVE PASSED THIS FINAL SAGE OF YOUR SAFETY TRAINING. IF YOU DO NOT HAVE THIS FORM WITH YOU, YOU WILL NOT BE ABLE TO GO ON THE RIDE.**
